SCIENCE · POLICY · PRACTICE

## Become a Sponsor.

Oct. 26-30, 2026

Friday Center | Chapel Hill, NC

## Join the community.

100+ countries

120 organizations

2,000+ registrants

65 universities

**Advancing  
universal access  
to safely managed  
water and  
sanitation  
through science,  
policy, and  
practice.**

### ➔ Why Sponsor?

- **To support a global convening** of thought leaders to interrogate the science, build partnerships, and explore collaborations to deliver safe water and sanitation to the millions without access.
- **To share, learn, and improve projects** for scalability by using the latest science and evidence from across the sector with 2,000+ researchers, practitioners, and policymakers from over 100 countries.
- **To connect with the next generation** of WaSH leaders – from low and middle income countries and underserved communities – and help maintain the unique accessibility of this conference.
